BRAND & VISIBILITY · SPEAKER

WHY IT WORKS

The best expert doesn't always win. **The most** *visible* **one does.**

I spent more than a decade building businesses. Then I built an engine that publishes for me every day, and my own account became the proof.

Now I build the same engine around established business owners: your name, your face, your voice, your expertise. Never a faceless business account.

Rose Lawless's own Instagram account, November 2026. Not a forecast for yours.

> *"Helping established business owners become the face of their own brand."*

THE PROGRAM ON ONE PAGE

Your hour. **Our engine.** *Your name.*

YOU GIVE

1 hr

a week, and nothing more

- One recording session a week
- Fresh footage of you in a shared Drive folder
- Approval on medical or treatment claims

IT RUNS FOR YOU

13

posts a day, every day

- 10 trial Reels shown first to new people
- 3 posts a day on your grid
- Posting, DM replies and a monthly growth report

STAYS YOURS

100%

personal brand

- Your name, face, voice and story
- Every account in your name
- Only you featured; no staff recorded

Nine automations run all of it.

Watch them run, and see what they would publish for you, in the free playbook.

Trend Scout · Script Writer · Avatar Studio · B-roll Studio · The Editor · Publisher · Trial Tester · DM Concierge · Growth Reporter

MEET THEM →

Included

- ✓ Setup of your accounts, with you, on one call
- ✓ Your AI avatar and voice
- ✓ Scripts, editing, posting and DM automation
- ✓ A growth report every month

Not included

- — Your business's own brand or accounts
- — Paid ads or ad spend
- — Any guarantee of followers, clients or income
- — Medical, legal or financial advice

3-month retainer, then open to renegotiation. Tool subscriptions are billed to you, in your name.

NEXT

See it work **for you.**

01

The free playbook

See the loop that runs it all, and get a preview built from your own numbers.

02

Build it yourself

Take the playbook and set it up on your own, at your own pace.

03

Or skip 100 hours

Join Rose's live webinar and get the automation for yourself, ready-made.

START HERE

Open the free playbook.

Two minutes to see it working. Then choose: build it yourself, or skip straight to the automation.
